Brand Ambassador Program

Thank you for your interest in becoming a FabPole Brand Ambassador — we're truly excited to have you here. Our goal is to create a program that is mutually beneficial, supportive, and aligned with the values of the FabPole community. From time to time, we may update our process, but the structure below reflects the approach that has consistently helped our ambassadors succeed.

The goal of the FabPole Brand Ambassador program is to share your genuine love for the FabPole brand with your community. As a FabPole Ambassador, you are expected to actively promote and represent the brand both online and offline within your relevant aerial, pole, and movement communities.

We ask that you actively promote FabPole and its products — including the Nexus Wrap, Nexus Wrap with Sling System, FabPole fabric, and the artistry of FabPole — across your community and social media platforms. Please make @fabpole a collaborator on your posts and share photos and videos of your promotional content so we can support and amplify your work.

And please—if you have ideas for content you'd like to create or see, suggestions for improvements, or anything you'd like to share with us, reach out. We'd love to hear from you.

Brand Ambassador Protocol

Be creative. Have fun. Share your FabPole flows and tricks.

The following are simple but yet important protocols we ask that you follow. They are suggested guidelines but when followed, produce the greatest result for all parties involved.

Your Instagram page must be set to **PUBLIC**, and your **CODE** displayed in your bio.

Make posts using or promoting FabPole products regularly. We have found that the Ambassadors who **share more earn more**.

Posts must feature a **high-quality photo or video** of you performing with or promoting FabPole and its products listed above.

Tag **@FabPole** as a **collaborator** on ALL posts featuring your FabPole performances or showcasing FabPole products.

Include the hashtag **#Fabpole** in ALL posts featuring your FabPole performances or showcasing FabPole products.

Include **links** to our website or social media platforms, and information about FabPole and its products to your audience.

Remain respectful and represent FabPole positively by sharing your artistic inspiration with your audience.

Your **personalized code** must be entered in the *Customer Note* box on any order to receive rewards.

Copy these tags for your posts: #FabPole #PoleSilks #FabPoleFlow #FabPoleWorkshop
#FabPoleAmbassador #PoleDance #AerialSilks #AerialArts

Brand Ambassador Rewards

The Brand Ambassador role gives you an opportunity to earn more income, promote FabPole, and grow your community. FabPole wants to create successful initiatives for all of us and promote FabPole.

Note: All payments will be made via PayPal and require a W9.

You will earn **10%** on all online sales after shipping of FabPole products if applicable*.

You'll receive your own **special FabPole code** to offer your subscribers 5% off FabPole purchases.

You'll receive a **10%** discount on all purchases you make of FabPole products before shipping, if applicable*.

You'll receive **promotional banners**, social media images, and more to be displayed on your website and/or social media pages.

Plus, **Successful Brand Ambassadors** may be considered for additional FabPole projects, including creating tutorials, writing blog posts, contributing website content, networking opportunities, and more.

***NOTE:**

- You cannot receive both a discount and a commission on your own orders.
- Returned orders will be reflected in your commission payout.
- Discounted sales—including studio and wholesale purchases—are not eligible for rewards

Once you sign your contract, it's official. We'll send you all of your codes and links, and you'll be ready to grow your audience and earn income along the way.

We're thrilled to have you flying Fab-ulously with us!
