FABPOLE

LEARN DIRECTLY FROM THE CREATOR

FabPole™ is the beautiful combination of aerial fabric and vertical pole created by Leesi L'Ru in 2011.

Originally developed for a showcase performance at Pole Dance Universe, FabPole combines the fluidity and creativity of aerial fabric with the strength and dynamic movement of pole.

Since its debut, Leesi has performed and taught FabPole workshops throughout the United States and internationally, helping students discover the creativity, flow, and unique movement possibilities of FabPole™.

2026 NEW MOVES

BEGINNER+ | 90 MINUTES
